Guide to Fee Scales

- All fees are provided as guidance which we hope will assist with selection of appropriate counsel and calculation of a budget for the client.
- Whilst we would hope that most cases would fall within the scales provided we appreciate that there will be cases which will fall outside these scales.
- Cases which exceed 1 day will incur a brief fee for the first day and a refresher fee for each subsequent day the case runs.
- Fees for conferences and written advices are normally calculated based on time spent applying the hourly rate and therefore the fee can vary greatly depending on what stage counsel is instructed and what advice is sought, we have therefore provided indicative fees as a guide.
- The barristers are broadly banded based on years of specialist post-qualification experience (PQE), this includes time spent in practice as a solicitor before coming to the Bar:
A- 28 years plus, B - 19 to 27 years, C – 12 to 18 years, D – 6 to 11 years, E – up to 5 years.
